The mission of the Interdisciplinary Journal of Knowledge and Learning Objects (IJKLO) is to provide readers around the world with the widest possible coverage of developments in Knowledge and Learning Objects. IJKLO is an interdisciplinary forum that publishes high quality articles on theory, practice, innovation, and research that cover all aspects of Knowledge and Learning Objects.

All papers have been subjected to a blind review by three or more reviewers. Accepted articles are available free of charge on the web site <http://ijklo.org>
